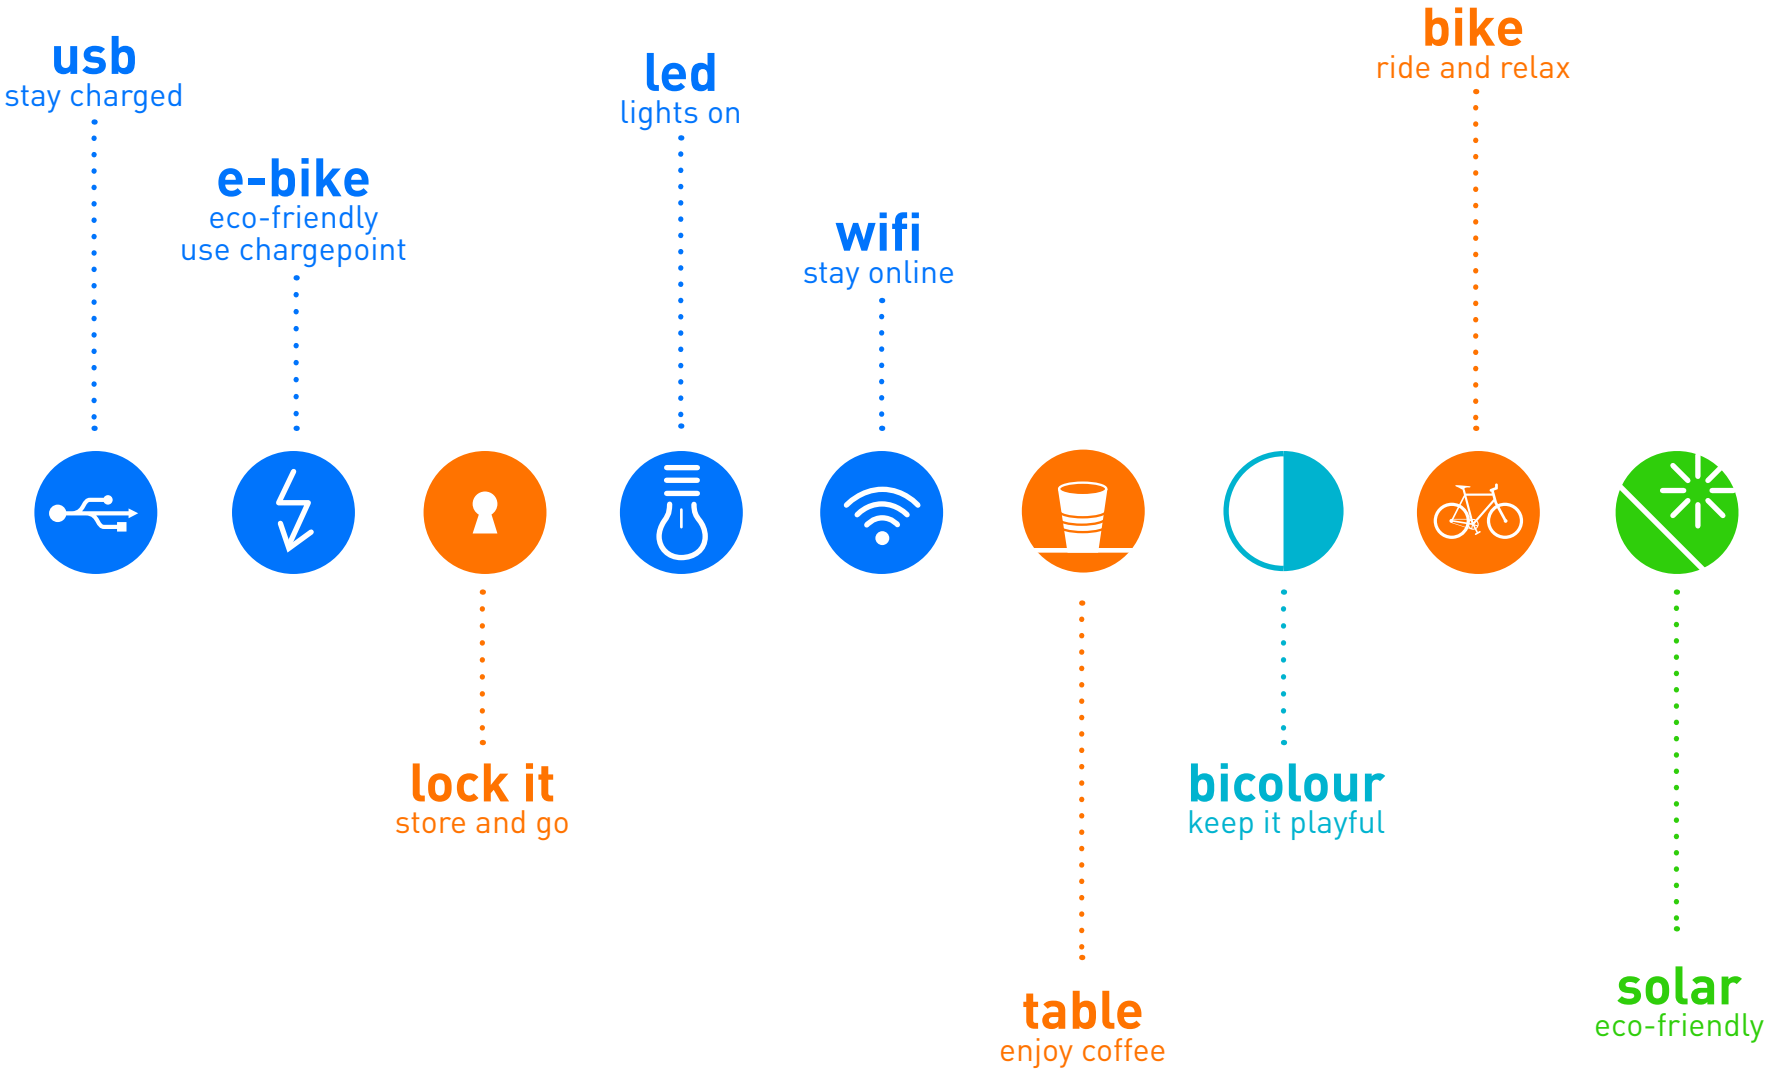
We make cities smart and beautiful.

More comfortable
public space?

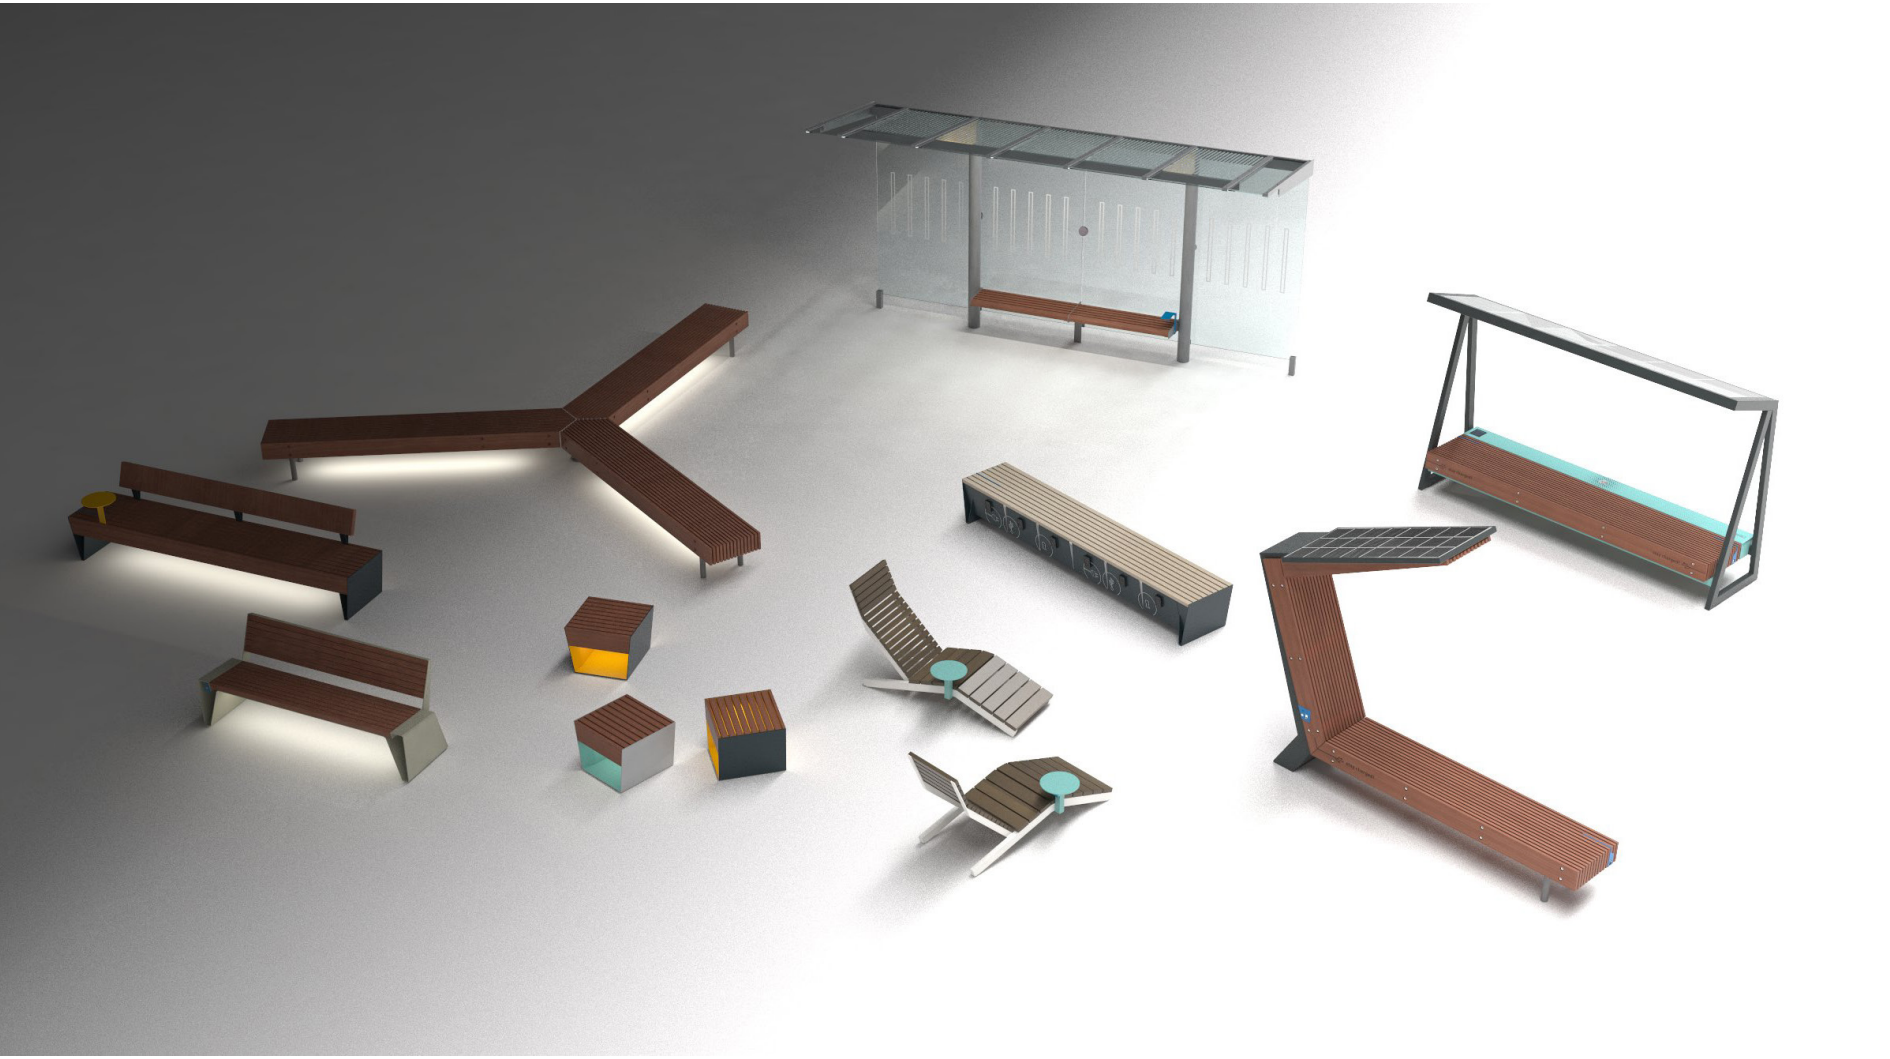
smartcité

What is
Smartcité?

The Smartcité concept is the way to enhance the quality of public space by implementing new technologies...



usb
stay charged
e-bike
eco-friendly
use chargepoint
lock it
store and go
led
lights on
wifi
stay online
table
enjoy coffee
bicolour
keep it playful
bike
ride and relax
solar
eco-friendly



The Smarcité line complements our perennially popular ranges with an emphasis mainly on design and functionality.

Our furniture bring the possibility of fast recharging. Anywhere...

Stay charged!
